Milestone Christmas Party for 2014

We had a great turn out at the Christmas Party for the Milestone Car Society. It was held at Bandit's BBQ Restaurant in Camarillo. The food was hot and the drinks were poured and everyone behaved themselves. No kissing under the table, or lap dances but there was lots of laughter and comradely.

As usual everyone was very generous with the gifts for **Toys for Tots**. They were handed over to Lexus of Thousand Oaks who gave them to the Marine Corps for distribution.

Those who attended were, Don and Cynthia Federman, Liz Zoph, Bob Lupo and Terry Wagner, Sherry and John Uber, Jerry and Bee Lybolt. Max and Jane Schulez, Linda Kinyoun, Laurie Just, Bob and Carolyn Ragan, Jason Garcia and Katie.

Most expensive car ever — Ferrari GTO sells for \$38 million

A 1962-63 Ferrari GTO Berlinetta was sold in California for \$38,000,000, the most ever paid for a car at auction.

While the sale was easily a record price for any car ever sold at auction, some experts had predicted the classic car would go for more than \$50 million.

Bidding for the car soared past the previous record, \$30 million, within minutes, with bids going up in \$1 million and \$2 million increments.

Past that, the bidding slowed considerably and the increments shrank to as little as \$50,000. In the end, two bidders -- a collector from outside the United States who was bidding over the phone and an American who was in the auction hall -- were contesting for the car with Brooks, who was acting as auctioneer, egging the two on.

“Come on,” Brooks said to the American after the international bidder had just raised his bid again. “You’ll

be the most popular man in California.”

Finally, the international bidder won the auction. Bonhams would not reveal the identity of the buyer or any of the bidders, following standard auction industry practice.

More optimistic predictions for the car’s sale price were based on reports that a similar car had sold privately for more than \$50 million.

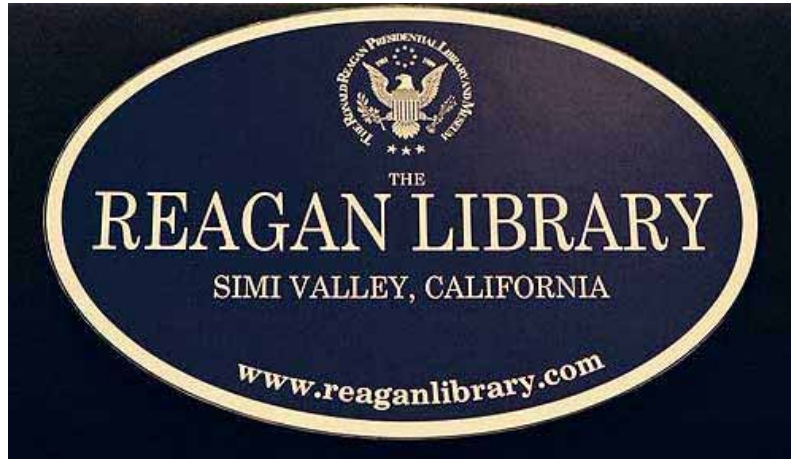

This particular car had two model years because, shortly after it was first sold, it was badly damaged in a racing crash that killed driver Henri Oreiller. After that, it was sent back to the Ferrari factory where it was rebuilt as a 1963 model.

“The GTO is the most highly sought after car in the world and was very well bought by the new owner,” said McKeel Hagerty, the president of Hagerty Insurance, a company that insures collectible cars.

Milestone Car Society Event

Reagan Library Event

It's always good to take a trip to the Reagan Library with the Milestone Car Club. The members who joined us were Paul and Kathy Christensen, Jodie Burd, Laurie Just, Terry Wagner and Bob Lupo, and our fearless leader Bob Ragan and his wife Carolyn. The cars that are loan from the Peterson Museum were amazing but not to many cars were available to see because of the Christmas tree display.

This is the first of a three part Peterson exhibit from October to May 1, 2015. Don't miss it.
